## Quick Response Grant Application Form

### Before you start

### Some things to note before you start

Before completing this application form, you should have read the <u>Murrindindi Shire</u> <u>Grants and Sponsorships Program</u> guidelines.

Incomplete applications and/or applications received after the closing date will not be considered. When do I need an Auspice?

You will need an auspice if you are a not-for-profit community group or organisation that does not have an ABN.

If the application is successful, **the auspice organisation must enter into an agreement with Council** and is responsible for managing the grant funds. The auspice is legally accountable for the funds and must make sure that they are spent as outlined in the agreement with Council. An auspice will be required to meet any reporting requirements and meet all the eligibility conditions of the grant.

If an auspice is required, written evidence of an auspice agreement must be submitted in this form.
